Defendant.

-----X

Based upon the SDNY policy dated March 5, 2018 favoring early termination where warranted, the factors of 18 U.S.C. § 3583(e)(1), and the record herein, and because of Mr. Burroughs' dedicated compliance with supervised release, including, but not limited to, his successful supervision, his steady employment and stable residence during the exceptionally difficult circumstances brought about by the COVID-19 pandemic, the Court finds that an early termination of supervised release effective July 7, 2022 is warranted. The Court also finds that Mr. Burroughs has conducted himself in an exemplary and law-abiding fashion and met the requirements (conditions) of his supervision. See transcript of proceedings held on July 7, 2022 for a complete record.
